John Osman Groundcare was founded in 1992 and we are specialists in the supply, servicing, repairs and hire of all leading makes of Groundscare equipment. We are renowned for sourcing high quality pre owned equipment which is then fully refurbished, serviced and supplied with a full warranty at fantastic savings over new for our customers. We supply machinery nationally to Golf Courses, Local Authorities and Contractors, in fact to any user of Professional Groundscare equipment.

Our busy spare parts department can supply you with parts for all leading makes in most cases the next day.

The workshop has manufacturer trained technicians who can carry out on site repairs and servicing as well as workshop based repairs.

Our sales team is able to carry out on site demonstrations of our equipment on your site and is available to answer any questions you may have regarding grounds maintenance equipment.

We can also supply new and ex demonstration equipment if required and the hire of equipment is also available.

Finance available written details on request.

WE ARE INTERESTED IN BUYING YOUR REDUNDANT, SURPLUS EQUIPMENT OR EQUIPMENT YOU ARE ABOUT TO PART EXCHANGE. WE CAN SOURCE AND SUPPLY ALMOST ANY GROUNDSCARE EQUIPMENT SO IF YOU DON'T SEE WHAT YOU ARE LOOKING FOR ON OUR WEBSITE PLEASE GIVE US A CALL.
